

Prairie Pipe Band Association of Manitoba

Competition Grant Application

One aim of the Prairie Pipe Band Association of Manitoba is to support and encourage pipe band competitions and highland games that foster the goals of the association. Therefore, when finances permit, a portion of the annual budget is allocated for potential competition grants. In order to be eligible for a grant, the competition's organization must be a member in good standing of the PPBAM, and the contest must be approved as a PPBAM sanctioned event (in accordance with the PPBAM Constitution).

Once received, your grant request will be reviewed at the next PPBAM Executive Meeting. The contact person noted on this form will be informed by e-mail, or in writing, of the Executive's decision. If approved for a grant, a cheque will then be issued.
